

1. Families who desire to enroll children in the preschool program must first go to the website and fill out a “New Student Inquiry” form. You will be contacted by Preschool department for an admissions conference, once the inquiry is received.
2. Families may then enroll as space allows with the understanding that enrollment will not be considered final until all required forms, documentation, and fees have been submitted.
3. Families who enroll children in the Preschool are reminded that admission to the K5 program is based on meeting the requirements of admission to the K5-12 grade programs as outlined previously.
